Week 18 May 1-5: Neural networks and project 2

Morten Hjorth-Jensen Email morten.hjorth-jensen@fys.uio.no[1,2]

Department of Physics and Center fo Computing in Science Education, University of Oslo, Oslo, Norway[1]

Department of Physics and Astronomy and Facility for Rare Ion Beams, Michigan State University, East Lansing, Michigan, USA[2]

May 3, 2023

Overview of week 18, May 1-5

▶ Neural networks and project 2
1. Discussions of neural network and solution of project 2
2. Discussion of codes
